

### on-line ordering... coming soon to zac's

Zac's simply better catering is about to get a whole lot better. From early 2007 you will have the option of creating your own orders on-line with a simple to use "shopping basket" style application.

The benefits for you include:

- the ability to call up previous orders and edit and resubmit to save time,
- secure credit card payment facility,
- instant tax invoice printing facility,
- access to the latest Zac's simply better promotions

*As soon as we're up and running we'll let you know!*
